Term 3 – Week 5

Dear Parents and Community,

Photos
If you have any photos from the sports days, or other events at the school this year, we would appreciate a copy. We are in the process of establishing a new website and these will certainly help us showcase the school. Please email them to the office, or send them in on a disk or USB memory stick that we will return to you.

Camp
All of our camp forms have been returned and I’m happy to say we will be taking all of our 3-7 students with us to North Keppel. Thank you to all the families that will entrust us with the care of their children. The final cost for camp will be $50 per student. An information and permission note will be sent home with all students in 3-7 in the next week.

Woolworths earn and learn
Last week to collect those stickers and to earn valuable resources for our children, including art supplies, books, musical instruments, construction and much more. The Woolworths Earn & Learn program concludes on 12 August 2012.

School opinion surveys
Department of Education and Training undertakes a School Opinion Survey annually. It is designed to gauge satisfaction with aspects of schooling and the results will help us to evaluate and to reflect on how well we are going. It also helps us to identify areas for future development. All of our families will be sent home a survey to fill in and return in the provided envelope. Staff and students in Years 4-7 will also be asked to complete a survey. All responses are completely confidential and are forwarded to Central Office where the information will be scanned and the analysis undertaken.

Kind Regards,

Meg Saunderson
